75 SUBJECT'S STATEMENT REGARDING THE USE OF FORCE

☐ DNA

☐ REFUSED

☐ UNABLE TO INTERVIEW (Specify Reason)

Offender interviewed in the 022 district lock up holding cell. He was reminded of his rights per Miranda and said that he understood them and wanted to talk to R/L. He stated that he was going into the gas station to buy some juice when unprovoked he was "attacked" by 3 officers. He said that he cooperated at all times. He said that he raised up arms. The officers then "shot" him with some sort of gun. He then laid on the ground as instructed. At that time the 3 officers jumped on him pushing his face into the cement where he lost his tooth. He denied being hit by the officer in the mouth. He states that he has not been arrested in 10 years and the officers confronted him for no reason.

76 WATCH COMMANDER/OCIC RATIONALE FOR BOX 77 FINDING

The officers were responding to a disturbance on the lot of a gas station. The officers had the initial disturbance quelled when the offender approached them. He was belligerent and combative. He was told to back off but instead approached the officers in a way that made them in fear of receiving a battery. After ignoring verbal direction and the warning of taser use the offender continued to charge the officers. PO Gomez-Farrington deployed his taser. The offender seemed unaffected by the taser removing the prongs and spitting in PO Gomez-Farrington's face. At that time PO Gomez-Farrington hit the offender in the head trying to knock him off balance and back away. The strike caused the offender to stumble and he hit the police car denting it. The officers were able to do an emergency takedown at this time and brought the offender to the ground. At this point the officers attempted to drive stun the offender with the taser with again negative results. After much struggling the officers were able to cuff the offender using two sets of cuffs. He then was assisted into an ambulance and taken to Roseland Hospital for lacerations and abrasions to his face.
